Applied Development, LLC Lands Spot on \$25 Billion Contract with U.S. Department of Veterans Affairs

Baltimore, MD, June 12, 2018 - The U.S. Department of Veterans Affairs (VA) has awarded Applied Development, LLC a place on the \$25 billion Veteran Enterprise Contracting for Transformation and Operational Readiness (VECTOR) contract. Applied Development won against hundreds of firms to be part of a select group of companies providing professional, administrative, and general management support services to the VA.

"As a service-disabled veteran-owned business, Applied Development is thrilled to deepen our commitment to the nation's veterans through VECTOR," said Kimberly Citizen, Applied Development Chief Executive Officer. "We look forward to using our VA knowledge and proven expertise to address the agency's complex challenges."

VECTOR is a multiple-award, indefinite-delivery/indefinite-quantity contract. It has a five-year base period with five option years. Contractors compete for task orders across five categories. Applied Development was awarded the contract to deliver training and analysis services.

Applied Development, LLC helps federal clients build high-performing teams with program management, business process improvement, management analysis, and training. Applied Development is an SBA 8a, economically disadvantaged woman-owned (EDWOSB), service-disabled veteran-owned (SDVOSB), and HUBZone firm.
